

4C Strategies wins strategic software contract with a public authority in Europe

4C Group AB (publ) ("4C") announces that 4C Strategies has entered a three-year software contract with a public authority within the defence segment in Europe, with an option to extend the contract by an additional two years. The agreement runs from now until the end of 2028 and covers 4C Strategies' resilience software. The three-year contract has a value of EUR 1.3 million (SEK 14.1 million), with a total potential contract value of up to EUR 2.4 million (SEK 26.0 million) over five years.

"This is a strategically important contract for us, marking our entry into a new market with a central public authority. It also further reinforces our strategy to focus on defence customers and closely related activities," says Jonas Jonsson, CEO of 4C Group AB.
