# Zordix Releases Own Ip In Them's Fightin' Herds On PlayStation®4/5, Xbox One/XSX And Nintendo Switch

**Umeå, Sweden (October 18, 2022) – Zordix AB (publ)'s (Nasdaq: ZORDIX B)** – Today, Zordix publisher Modus Games and inhouse studio Mane6, sent the 2D fighting game Them's Fightin' Herds stampeding onto PlayStation®4, PlayStation®5, Xbox One, Xbox Series X|S and Nintendo Switch. The release was accompanied by a new trailer showcasing the fighters ready for action: <https://youtu.be/psdeHoARfYM>

Them's Fightin' Herds is a four-button, 2D fighting game featuring a cast of characters designed by Lauren Faust (producer and developer for My Little Pony: Friendship is Magic; creator, director, and developer for Super Best Friends Forever). Battle in Arcade and Local Versus Modes, practice in Tutorial and Training Modes, then dive into the game's many online matchmakings feature and measure yourself against players from around the world. Gamers can also explore an episodic Story Mode that blends top-down adventure with fighting game combat challenges.

"The console release of our own IP Them's Fightin' Herds is an integral part of our long-term growth plan to deliver high-quality games as a foundation for organic revenue growth and keep on building a solid catalogue. To see the development and publishing teams at Mane6 and Modus work together to grow the already large community around Them's Fightin' Herds is yet another testament that Zordix can control every vertical of a game from development to marketing and publishing," says Christina Seelye, CEO of Zordix.

Them's Fightin' Herds: Deluxe Edition is now available for \$39.99. The Deluxe Edition features the Season 1 Pass, which includes four additional playable characters, four unique stages, four exclusive Pixel Lobby accessories and an exclusive palette for each character.
