About Net Insight

Net Insight (Nasdaq: NETI B) is defining new ways to deliver media, opening up opportunities for content owners, broadcasters, production companies, service providers and enterprises to produce and deliver the future of live sport, news and online content. The company is driving the transformation to IP, virtualization and cloud workflows and has built the market's most open and cloud-ready media delivery platform for contribution, distribution, live production, and orchestration.

For over 20 years the world's leading media brands have trusted Net Insight and the company is recognized for having set the benchmark for media transport. Now Net Insight is combining its broadcast heritage and R&D expertise with the deep IP knowledge gained from developing its own streaming solution to evolve Nimbra, its Emmy® Award winning video transport solution, for the new media era. With a strong vision for the future of IP and cloud, Net Insight is helping the world's leading media brands to simply and cost-effectively produce and deliver content to viewers anywhere.
