

## **Netel signs new framework agreement with Sigtuna municipality**

**Netel's subsidiary JR Markteknik has signed a new framework agreement with the municipal company Sigtuna Vatten & Renhållning AB. The agreement includes, among other things, the expansion and modernisation of the water and sewage network in Sigtuna municipality. The contract runs for three years, with the possibility of extension for up to five years.**

Sigtuna municipality is located in the northern part of Stockholm County and has undertaken several initiatives in the water and sewage sector to improve and modernise infrastructure, including the expansion of the water and sewage network.

"We are very pleased with the trust placed in us by Sigtuna municipality," says Jeanette Reuterskiöld, CEO and President of Netel. "This is yet another new customer and a new geographic area for us. We look forward to supporting Sigtuna in its continued expansion and development of its critical infrastructure."

### **About us**

---

With 25 years of experience, Netel is a leader in the development and maintenance of critical infrastructure within Infraservices, Power and Telecom in Northern Europe.
