

# Goobit AB Expands Payment Options on BTCX Express with Swish

**Goobit AB ("Goobit") today announces that the company has added Swish as a new payment method to its existing BTCX Express service for customers in Sweden.**

The introduction of Swish complements the existing payment solutions, including card and bank payments, and further enhances the accessibility of purchasing bitcoin via BTCX Express in Sweden.

**About Goobit**

Goobit Group AB (publ) operates within the financial sector and launched BTCX in 2011—the world's first still-operating bitcoin-only exchange. Goobit is Sweden's leading bitcoin company in financial services and education. The Group offers exchange services from fiat currencies to bitcoin. Its most well-known brands are BTCX Express, Standard Bitcoin Exchange (BTCX), and Bitcoin Treasury. In addition to exchange services, the Group also provides anti-money laundering (AML) services through AML Desk, as well as compliance services for crypto assets. Goobit Group AB (publ) was registered in 2013 and consists of the wholly owned subsidiaries Goobit AB and Goobit Blocktech AB. The Group is headquartered in Stockholm, Sweden.
