Goodbye Kansas Studios wins additional order for existing project

Goodbye Kansas Studios has received an additional order to produce more visual effects ("VFX") for a well-known TV-series and the order value amounts to SEK 6 million. Production will commence during the fourth quarter of 2021 and will be completed in the first quarter of 2022. The new order means that the total order value for the entire project amounts to approximately SEK 19 million.

"It is very important that Goodbye Kansas manages to broaden its mandates on existing projects. This shows our ability to deliver high quality services and strengthen our customers' confidence in us. Our ambition is to also broaden existing partnerships with our other global customers," says Peter Levin, CEO of Goodbye Kansas Group.
