

Press announcement 2020-02-12

Acconeer receives an order from Glyn Limited worth USD 12 800

The order relates to Acconeer's radar sensor A111. Based in New Zealand, Glyn Ltd is established as a leading distributor in New Zealand and Australia.

Lars Lindell, CEO Acconeer, comments: "Since we signed a distribution agreement with Glyn Limited last summer, we have seen an uptake in customer activities in the region. Today's order is a confirmation of the progress with customers in Australia and New Zealand."

About Acconeer AB

Acconeer is a leading radar sensor company based in Lund, south Sweden, in Ideon, the country's hottest region for wireless technologies. Acconeer is developing a truly leading ultra-low power, high precision 3D sensor which will revolutionize the way that mobile devices interpret their surroundings. Acconeers ultra-low power and millimeter precision sensor will be a robust and cost-effective solution for applications ranging from virtual reality and gaming to security and robot control. Information from the sensor can also be used to identify different materials, these are just some examples of the wide range of possibilities of application areas for the sensor. Acconeer is listed on Nasdaq First North Growth Market with the ticker code ACCON, Redeye is the company's Certified Advisor (CA) and can be reached via telephone +46 (0)8 121 576 90 or via mail certifiedadviser@redeye.se.
