

Press release 2020-04-09

Acconeer's revenue was 210 k USD during first quarter 2020

Ahead of Acconeer's annual general meeting (AGM), which starts 14 April 17.30, previously unpublished figures for three important parameters are published:

- **Revenue** – Acconeer's revenue was 210 000 USD during the first quarter 2020, which is a growth with 16% compared to the previous quarter and 284% compared to the first quarter 2019.
- **Number of sold evaluation kits (EVKs)** – During the first quarter 2020 Acconeer sold 358 EVKs.
- **Customer launches** – the total number of customer launches with Acconeer's radar is after the first quarter 2020 in total 17. This is a growth with three compared to the previous quarter.

As previously communicated, CEO's speech will be recorded and made available at www.acconeer.com, instead of being held at the AGM itself. For more information about this and other precautions around the AGM, see [press release from March 20](#).
