Acconeer receives order from Digi-Key worth USD 29 500

The order relates to the XM112 High Performance Module, and correlating connector board and lens kit. Digi-Key's global online platform, serving both global players as well as smaller local niche producers, remains an important distribution channel for Acconeer.

Lars Lindell, CEO Acconeer, comments: "This order confirms the continued high demand we see for our evaluation kits (EVK), which is a first step towards future customer launches."
