

Press release 2021-03-02

Acconeer receives order from Glyn Limited worth USD 156 000

The order relates to Acconeer's A1 radar sensor intended for mass production of customer products. New Zealand-based Glyn Ltd is Acconeer's main distributor in New Zealand and Australia, and the two companies have a distribution agreement since June 2019.

Lars Lindell, CEO Acconeer, comments: "This is our largest order from Glyn so far, and we are happy to see that customer activities in the Oceanian region are progressing well."

In addition to publicly announced orders, Acconeer continuously receives orders of smaller amounts which are not publicly announced as they are not considered to affect the share price.

About Acconeer AB

Acconeer is a leading radar sensor company based in Lund, south Sweden, in Ideon, the country's hottest region for wireless technologies. Acconeer is developing a truly leading ultra-low power, high precision 3D sensor which will revolutionize the way that mobile devices interpret their surroundings. Acconeers ultra-low power and millimeter precision sensor will be a robust and cost-effective solution for applications ranging from virtual reality and gaming to security and robot control. Information from the sensor can also be used to identify different materials, these are just some examples of the wide range of possibilities of application areas for the sensor. Acconeer is listed on Nasdaq First North Growth Market with the ticker code ACCON, Redeye is the company's Certified Advisor (CA) and can be reached via telephone +46 (0)8 121 576 90 or via mail certifiedadviser@redeye.se.
