Acconeer signs a distribution agreement with Mouser Electronics and receives first order

Acconeer has signed a distribution agreement with Mouser Electronics, and Acconeer's radar products will soon be available through Mouser's online store. At the same time, Mouser Electronics places an order worth USD 35 000 for initial stock. The order relates to Acconeer's A1 radar sensor and related modules, evaluation kits (EVK) and lenses. Mouser is one of the largest electronic component distributors in the world, with a global reach.

Lars Lindell, CEO of Acconeer, comments: "With this agreement in place we further increase our visibility and availability for customers worldwide. Being one of the largest global players in the industry, Mouser is an important addition to our global distributor network".

Jeff Newell, Senior Vice President of Products for Mouser Electronics: "We're excited to offer our customers Acconeer's world-class radar products. Acconeer radar sensors, kits and lenses align with our existing line card and customer base, and we look forward to a successful long-term relationship".
