

Press release 2022-07-08

Acconeer registers an increased number of shares through subscription via warrants

Acconeer AB's share capital and number of shares have increased due to the exercise of warrants in series TO2 (2019/2022). As a result, the company is increasing its cash by SEK 17 million.

A total of 611,048 new shares were subscribed for in Acconeer AB with the support of the warrants TO2. Subscription has taken place in installments during the subscription period that ran from the first of May 2022 until and including 30 June 2022. The last installment of these subscriptions was registered with the Swedish Companies Registration Office (Bolagsverket) on 7 July 2022.

After the shares subscribed for in connection with the end of the subscription period have been registered with the Swedish Companies Registration Office, the total number of shares in Acconeer AB amounts to 26,331,798, with a quota value of SEK 0.05 per share. The share capital in Acconeer AB thus amounts to SEK 1,316,589.9 after the completion of the warrant program.

In connection with the subscription of shares, some members of the management team have changed holdings in Acconeer. The current holdings are available on the company's website:

About Acconeer AB

With ground-breaking technology, Acconeer has developed a radar sensor that opens a new world of interaction. Acconeer Micro Radar Sensor, with low power consumption, high precision, small size and high robustness, is a 60GHz robust and cost-effective sensor for detection, distance measurement, motion detection and camera-supported applications with low power consumption. Acconeer combines the advantage of low power consumption with highly accurate pulsed radar systems of coherent radar, all integrated into a component with a surface area of only 28 mm². The radar sensor can be included in a range of mobile consumer products, from smartphones to wearables, but also in areas such as robots, drones, the Internet of Things, healthcare, automotive, industrial robots and security and monitoring systems. Acconeer is a semiconductor company and, as a business model, sells hardware to manufacturers of consumer electronics products. Acconeer is listed on Nasdaq First North Growth Market with the ticker code ACCON, Redeye is the company's Certified Advisor (CA) and can be contacted via telephone +46(0)8 121 576 90 or via e-mail certifiedadviser@redeye.se.
