About Circa

Established in 2006, Circa Group converts sustainable, non-food biomass into advanced bio-based chemicals with its proprietary Furacell™ process. Its developing product portfolio includes flavours, biopolymers, and bio-solvents including Cyrene™, an alternative to traditional polar aprotic solvents. By creating renewable chemicals from cellulose, Circa is extracting value from non-food, biomass and addressing a gap in the market by providing bio-based alternatives contributing to a more circular economy. Circa's ambition is to be Changing Chemistry for Good™.
