

## Norsk Renewables AS: Proposal to approve delisting application at General Meeting

Stavanger, 29 May 2024: Norsk Renewables AS (the "Company") will hold its Annual General Meeting on 26 June 2024 (the "AGM"). In connection with the preparations for the AGM, the board of directors of the Company has received a request from Valinor AS, the Company's largest shareholder, to include a proposal to apply for delisting of the Company's shares from Euronext Growth Oslo on the agenda.

The board of directors has discussed and carefully considered the proposal by Valinor AS, and considers that applying for delisting is in the best interest of the Company and its shareholders. Consequently, the board will recommend that the AGM adopts the resolution to apply for delisting.

Norsk Renewables AS in brief:

Norsk Renewables AS is a vertically integrated independent power producer with approximately 100 MW of solar power in operation or under construction, combined with a 1 GW secured portfolio under development. Expanding commercial offerings with wind and storage projects is in line with the company's strategy to replace consumers' energy consumption with 100% renewable power.
