

## OSE NOTIFICATION

### SDSD: SECOND QUARTER 2024 FINANCIAL RESULTS

Limassol, August 8<sup>th</sup> 2024

S.D. Standard ETC Plc (Standard ETC, OSE:SDSD) reports a net loss after tax of USD 5.7 million in the second quarter of 2024, compared to a net loss after tax of USD 14.4 million in the second quarter of 2023. The company is a leading shareholder in Dolphin Drilling AS (Dolphin Drilling, OSE:DRILL) and Standard Supply AS (Standard Supply, OSE:STSU).

Martin Nes, Standard ETC's Board Chairman, comments: "Our financial results are mainly driven by share price developments for Dolphin Drilling and Standard Supply, culminating in a combined unrealized loss of USD 10.5 million. Additionally, our ETC portfolio, which includes investments in other equities and credits, yielded a gain of USD 4.9 million".

As an investment entity, Standard ETC does not consolidate its subsidiaries. The company reported a net loss after tax of USD 5.7 million in the second quarter of 2024, mainly reflecting unrealized losses from the investments in DDRIL and STSU. The company had a cash position of USD 25.5 million at the end of the quarter, excluding cash held by subsidiaries.

The company's stakes in Dolphin Drilling and Standard Supply are evaluated at the quarter-end share prices.

Attached are the company presentation and the Board of Directors' report.
