#### **About Circa**

Established in 2006, Circa Group converts sustainable, non-food biomass into advanced bio-based chemicals with its proprietary Furacell™ process. Its developing product portfolio includes flavours, biopolymers, and bio-solvents including Cyrene™. By creating renewable chemicals from cellulose, Circa is extracting value from non-food biomass and addressing a gap in the market by providing bio-based, less carbon intensive alternatives, contributing to a more circular economy.
