To the Bondholders in:

ISIN: NO 0010914914 – Solis Bond Company Designated Activity Company Senior Secured Green Bond Issue 2021/2024

Oslo, 3 October 2024

NOTICE OF A WRITTEN RESOLUTION

1. INTRODUCTION

Nordic Trustee AS (the "**Bond Trustee**") acts as bond trustee for the bondholders (the "**Bondholders**") in the above mentioned bond issue (the "**Bonds**" or the "**Bond Issue**") issued by Solis Bond Company Designated Activity Company as issuer (the "**Issuer**") pursuant to the bond terms originally dated 5 January 2021, as amended by an amendment agreement no. 1 dated 5 July 2021, an amendment agreement no. 2 dated 16 May 2023, an amendment agreement no. 3 dated 6 July 2023 and an amendment agreement no. 4 in the process of being signed by the Issuer (the "**Bond Terms**").

All capitalized terms used, but not defined herein, shall have the same meaning assigned to them in the Bond Terms. References to Clauses and paragraphs are references to Clauses and paragraphs of the Bond Terms unless expressly stated otherwise or the context so requires.

The Issuer has requested that the Bond Trustee issue this request of a Written Resolution pursuant to Clause 15.5 (*Written Resolutions*) of the Bond Terms to consider approval of the Proposal (as defined below) (the "**Notice of a Written Resolution**").

The information in this notice regarding the background, the Issuer and the Proposal are provided by the Issuer, and the Bond Trustee expressly disclaims all liability whatsoever related to such information.

Bondholders are encouraged to read this notice in its entirety.

2. BACKGROUND

Reference is made to the Issuer's stock exchange notice published on 31 August 2023 available under the Issuer's ticker at www.newsweb.no. As explained therein, in accordance with the written resolutions of 14 April 2023, 2 June 2023, 16 October 2023, 3 January 2024 and 12 March 2024 Bondholders approved certain temporary waivers and amendments to the Bond Terms also to facilitate the Issuer's efforts in exploring alternative funding options, including sale of certain assets.

The Issuer has sold its operating assets in Poland, the Netherlands and Italy, where the payment proceeds have been applied towards settlement of the Bonds, as part of its strategic review of options to optimize the balance sheet and to reshape the business to best capture the opportunities in hand. The Issuer currently has five remaining operating assets in Romania.

As part of the Issuer's efforts to repay the Bonds and the Parent's and Midco's efforts to reshape and refocus their business on new developing assets and in other jurisdictions, the Issuer has explored options to realize this in the best interest of all parties.

Instead of continuing sales effort of the operating assets in Romania, the Issuer, together with the Parent and Midco, has in accordance with the Share Purchase Option agreed between the Bond Trustee (acting on behalf of the Bondholders) and the Issuer, that the Bond Trustee (acting on behalf of the Bondholders) has the right to purchase 100% of the shares in the Issuer for a full and final consideration of EUR 1 and request transfer of the shares of the Issuer to the Bond Trustee (acting on behalf of the Bondholders), or a party nominated by the Bond Trustee, and has now decided to facilitate a transfer of the shares in the Issuer to the Bond Trustee or a party as designated by the Bond Trustee. The objective following such transfer is to continue on-going discussion with the Bond Trustee on possible solutions to further deleverage of the Alternus group.

Accordingly, it is proposed that the Bondholders consent and resolve that the shares of the Issuer are to be transferred to a wholly owned subsidiary (direct or indirect) of the trust Refectio (*Stiftelsen Refectio*) by way of exercising the Share Purchase Option or through the agreed enforcement principles. Stiftelsen Refectio is established for such purpose of holding/acquiring assets through wholly owned subsidiaries (limited liability companies) on behalf bondholders and other creditors, as well as owning and realizing assets it has acquired. It is contemplated that Issuer and its Subsidiaries in Romania will continue to run operations.

The Issuer, Midco and the Parent have prior to disclosure of this written resolution discussed the terms of the request with a group of larger Bondholders (the "**Ad Hoc Committee**") that represents approximately 56.8% of the Bonds, where the Ad Hoc Committee has confirmed support of the terms and conditions further set out in Section 3 (*Proposal*) below.

3. PROPOSAL

3.1 General

In accordance with the terms and conditions as further set out below, it is proposed that the Bondholders adopt a resolution whereby the below proposal (the "**Proposal**") is approved pursuant to a Written Resolution. Subject to all the conditions as included in this Proposal it is proposed that the Bondholders resolve and grant the following:

- i. The Bond Trustee and/or the Security Agent shall take appropriate actions to have the shares of the Issuer and/or its Subsidiaries transferred, directly or indirectly, to a company controlled by Stiftelsen Refectio (or another designated company following consultation with a majority of the Bondholders) (the "**Share Transfer**") by either:*
 - a) exercising the Share Purchase Option;*
 - b) entering into a separate sale and purchase agreement with Midco for a consideration of EUR 1 (or another insignificant amount reflecting the underlying value of the shares taking into consideration the Issuer's outstanding debt to the Bondholders);*
 - c) enforcing the share pledge over the Issuer's and/or its Subsidiaries shares (either by way of using the power of sale/transfer provided to Nordic Trustee AS in accordance with the share pledges in the Issuer's or its Subsidiaries' shares or by use of Irish receivership or similar structures); or*

- d) *a combination of the above implementation alternatives to give effect to the Share Transfer.*
- ii. *The choice of implementation alternatives as set out in clause i above to give effect to the Share Transfer, shall be at the Bond Trustee's sole discretion following consultation with a majority of the Bondholders and may be implemented at any point in time prior to 4 October 2024 (and in the event of an Irish share receivership, the transfer to Irish receivership shall take place prior to 4 October 2024, subsequently followed by a transfer to a company controlled by Stiftelsen Refectio (or another designated company following consultation with a majority of the Bondholders)).*

3.2 Other condition precedents

The Proposal shall be effective immediately upon this Written Resolution being resolved. In addition, the Bond Trustee may at its sole discretion request that the Issuer and Midco provides the following documents and/or information to adequately document the Proposal;

- a) agreement on final terms and definitive legal documentation implementing the resolutions, including, without limitation, a sale and purchase agreement to execute the Proposal and an amendment agreement (the "**Amendment Agreement**") to the extent requested by the Bond Trustee and together with any other agreement, notice, undertaking, documents and registration or other action required to implement the Proposal and the relevant terms of the Proposal, the "**Transaction Documents**");

- f) other customary conditions as may be required by the Bond Trustee, including conditions to give effect to assumption of the Shares in the Issuer if required; and
- g) any undertakings by the Issuer, Midco and the Parent if required by the Bond Trustee to ensure that the Bondholders' interest is adequately protected.

The Proposal is put forward to the Bondholders without further evaluation or recommendation from the Bond Trustee. Nothing herein shall constitute a recommendation to the Bondholders from the Bond Trustee. Each Bondholder should independently evaluate the Proposal and vote accordingly.
