

Stock Exchange Announcement

## **CADELER A/S: Notice of Upcoming Q3 2024 Earnings Release and Earnings Presentation on 26 November 2024**

Copenhagen, 11 November 2024 -- Cadeler A/S (NYSE: CDLR / OSE: CADLR) plans to announce its Q3 earnings release, disclosing financial results for the first three quarters of 2024, at approximately 08:00 CET on 26 November 2024. The Q3 earnings release will be available on Cadeler's website (<https://www.cadeler.com/investor>).

Cadeler will host a live video webcast presentation for the investment community on the same day. Mikkel Gleerup, Chief Executive Officer, and Peter Brogaard Hansen, Chief Financial Officer, will present live from London at 08:00 EST / 13:00 UK / 14:00 CET. The earnings presentation is open to all interested parties and may include forward-looking information. Publishing research analysts will be provided an opportunity to ask company management live questions on the call.

Please find the link for the webcast here <https://cadeler-q3-2024-earnings-presentation.open-exchange.net/>. Please register your planned attendance in advance.

An archived replay of the webcast will be available through the same link following the presentation, and for at least three months thereafter. The presenter's slides will be posted to Cadeler's website.

### **About Cadeler:**

Cadeler is a global leader in offshore wind installation, operations, and maintenance services. Cadeler is a pure play company, operating solely in the offshore wind industry with an uncompromising focus on safety and the environment. Cadeler owns and operates the industry's largest fleet of jack-up offshore wind installation vessels and has for more than 10 years been a key supplier in the development of offshore wind energy to power millions of households. Cadeler's fleet, expertise and capacity to handle the largest and most complex next-generation offshore wind installation projects positions the company to deliver exceptional services to the industry. Cadeler is committed to being at the forefront of sustainable wind farm installation and to enabling the global energy transition towards a future built on renewable energy. Cadeler is listed on the New York Stock Exchange (ticker: CDLR) and the Oslo Stock Exchange (ticker: CADLR).
