### **About Oncoinvent**

Oncoinvent ASA is a clinical stage, radiopharmaceutical company developing innovative treatments for solid cancers. The technology platform is focused on the use of alpha-emitting radionuclides to deliver powerful radiation directly to cancer cells. The Company's lead product candidate, Radspherin®, is being advanced through clinical development by a team with experience from all stages of radiopharmaceutical development. Internal manufacturing and supply chain capabilities have been established, which now have the capacity to supply Radspherin® for multi-center phase 2 clinical studies.
