Item 7. Appointment of auditor

On the basis of a tender process carried out in accordance with Article 16 of the Audit Regulation (Regulation (EU) No 537/2014), the Board of Directors proposes election of the auditor KPMG Denmark, company registration number 25578198 ("KPMG").

As part of the tender process three accounting firms were evaluated.

In the audit tender, the board of directors emphasized criteria, such as global presence, experience auditing listed companies, fee level and approach to cooperation.

In due consideration of these criteria and the tender participants, the board of directors recommend KPMG as the Company's new auditor. The board of directors especially emphasized their experience with listed companies and their pragmatic approach to problem solving.

KPMG is still carrying out necessary checks to ensure that they in terms of the regulation on auditor independence are able to take on the appointment. This check will be finalized before the annual general meeting. Should the result of the check be that KPMG is not able to take on the appointment the board of directors instead recommends that Beierholm is elected as the Company's auditor as they were the runner up in the audit tender process.

The board of directors has not been influenced by third parties or been subject to any agreements with third parties which limits the general meetings election of certain auditors or audit firms.
