### **EXTENSION OF OFFER PERIOD IN THE RECOMMENDED VOLUNTARY OFFER TO ACQUIRE ALL ISSUED AND OUTSTANDING SHARES OF CRAYON GROUP HOLDING ASA, MINIMUM THRESHOLD WAIVED**

29 April 2025

**Reference is made to the stock exchange announcement published on 14 March 2025 regarding launch of a recommended voluntary share and cash offer for all issued and outstanding shares in Crayon Group Holding ASA ("Crayon") by SoftwareOne Holding AG ("SoftwareOne" or the "Offeror") at a price of NOK 69 in cash and 0.8233 (rounded down) newly issued shares in SoftwareOne per Crayon share (the "Offer"). Reference is further made to the stock exchange announcement published on 11 April 2025 regarding the extension of the offer period under the Offer (the "Offer Period"). The detailed terms of the Offer are further set out in the combined offer document and prospectus for the Offer and secondary listing of SoftwareOne's shares on Euronext Oslo Børs dated 14 March 2025, as supplemented by the prospectus supplement dated 28 March 2025 (together, the "Prospectus").**

SoftwareOne hereby announces a final extension of the Offer Period until 16:30 CEST on 6 May 2025.

All terms and conditions of the Offer as set out in the Prospectus (other than the amendments made pursuant to this announcement) remain unchanged. The complete terms and conditions for the Offer, including procedures for how to accept the Offer and detailed information regarding settlement, are set out in the Prospectus, provided however that the Offer Period has been extended as described herein.

As a consequence of the extension of the Offer Period, the settlement of the Offer will be postponed correspondingly.

The extension of the Offer Period is made pursuant to sections 5.2.3 ("Offer Period") and 5.2.9 ("Amendments to the Offer") of the Prospectus. Acceptances of the Offer already received will remain binding and shareholders who have already accepted the Offer do not need to take any further action to confirm their acceptances.

As of today at 16:00 CEST, SoftwareOne has received acceptances under the Offer, which, taken together with the Crayon shares already owned or controlled by SoftwareOne, exceed 80% of the total issued and outstanding shares in Crayon.

SoftwareOne has further decided to waive the closing condition relating to minimum acceptance of the Offer, as further set out under section 5.2.4 ("Closing Conditions") of the Prospectus (the "Minimum Acceptance Condition"). The waiver of the Minimum Acceptance Condition as set out herein entails that the Offer is no longer conditional on the receipt of additional acceptances in the Offer.

The Financial Supervisory Authority of Norway has, in its capacity as take-over supervisory authority in Norway, approved the extension of the Offer Period and otherwise reviewed this announcement prior to its publication.

SoftwareOne will provide an update on the status of received acceptances of the Offer in a separate stock exchange announcement before trading on Euronext Oslo Børs opens on 30 April 2025 due to the ongoing counting of received acceptances by the receiving agent.

The completion of the Offer is subject to certain conditions, as further set out in section 5.2.4 "Closing Conditions" of the Prospectus.

In terms of regulatory approvals, such approvals have already been received for merger control in Germany, Austria, Turkey and in respect of consultation with the UK CMA, and for foreign direct investment in Slovenia, by no-objection in Australia and by consultation in Czech Republic. The Offer is still subject to receipt of the remaining regulatory approvals as detailed in section 5.4.6 ("Regulatory Approvals") of the Prospectus. SoftwareOne expects that it will obtain the remaining approvals in accordance with the timeline communicated in the Prospectus.

On 11 April 2025, an extraordinary general meeting of SoftwareOne was held. All proposals put forward by the board of directors of SoftwareOne in support of the Offer were approved by a large majority, including the creation of a capital band, authorising the board of directors to issue up to 72,205,459 fully paid-up registered shares with a nominal value of CHF 0.01 each. The extraordinary general meeting was held in connection with the closing condition "Offeror EGM", as further set out in sections 5.2.4 ("Closing Conditions") and 5.4.8 ("Information about the Consideration Shares and the Offeror's EGM") of the Prospectus. For further details, please also refer to the stock exchange announcement published on 11 April regarding the extraordinary general meeting.

The Offer is only capable of being accepted pursuant to the Prospectus, and the complete terms and conditions for the Offer are included in the Prospectus.

Subject to regulatory restrictions in certain jurisdictions, the Prospectus is available at [www.paretosec.com/transactions](http://www.paretosec.com/transactions) and may be obtained free of charge during ordinary business hours at the offices of the receiving agent, Pareto Securities AS, Dronning Mauds gate 3, 0115 Oslo, Norway.
