### **About Hynion**

Hynion builds, owns and operates hydrogen refueling stations in and around the largest cities in Scandinavia. The company offers hydrogen refueling stations based on its own technology and decades of experience for turnkey establishment and operation by interested actors or within the framework of collaborations or co-ownership. The company's management also has extensive experience in establishing and running start-ups in hydrogen technology and renewable energy. [www.hynion.com](http://www.hynion.com)
