Kongsberg Discovery

Contribution from associated companies

Continue to see overall strong demand

- A product portfolio and positioning enabling a frontrunner position in the maritime transformation
- Persistent high activity in aftermarket
- Increased technology content on overall fleet drives demand

- Continued marketing, tendering and negotiations related to multiple programs
- International capacity expansion to meet demand
- Particularly strong demand for missiles and air defence
- Finalizing negotiations for ~NOK 6bn JSMcontract with new customer

- Significant demand from areas such as fishery, marine research operations, energy, naval and surveillance
- Solid backlog and strong positions in growing markets

Solid balance sheet and NOK 134.0bn in order backlog, whereof NOK 30.2bn is for delivery in 2025
