

Constellation Publishes Sustainability Report

Luxembourg, May 23rd, 2025 – Constellation Oil Services Holding S.A. (together with its subsidiaries, “Constellation” or the “Company”) announces today that it has published the 2024 ESG Annual Report. The document communicates company’s developments in terms of governance and the main results achieved in conducting its business in a way connected to promoting sustainable development.

“As a company aware of its role in energy transition, the issue of climate change is imperative in our strategy. We have clear commitments to decarbonize our operations and support a plural energy matrix. We recognize that oil and gas will continue to play an essential role in reducing energy poverty and financing sustainable solutions. Brazilian oil, with its low level of emissions and high competitiveness, positions the country as a key player in this global transition”, said Mr. Rodrigo Ribeiro, CEO of Constellation, in a statement also included in the report.

The 2024 ESG Annual Report can be found on the "Sustainability" page of the Constellation website at www.theconstellation.com.”
