Production & Sales Update  
Q2 2025

# Disclaimer

This presentation (the “Presentation”) has been prepared by Proximar Seafood AS (the “Company” and together with its subsidiaries, the “Group”), solely for information purposes. The Presentation comprise a general summary of certain matters in connection with the Group, and do not purport to contain all of the information that any recipient may require to make an investment decision. This Presentation, and the information contained herein, does not constitute an offer or invitation to sell, or any solicitation of any offer to subscribe for or purchase any securities of the Company, and neither the issue of the materials nor anything contained herein shall form the basis of or be relied upon in connection with, or act as an inducement to enter into, any investment activity, and do not constitute or form part of any offer, invitation or recommendation to purchase, sell or subscribe for any securities in any jurisdiction.

No representation, warranty, or undertaking, express or implied, is made by the Company nor any of the Company's affiliated entities or persons as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or the opinions contained herein, for any purpose whatsoever. This Presentation speaks as of the date hereof. All information in this Presentation is subject to updating, revision, verification, correction, completion, and amendment, without notice. Neither the company nor its affiliated entities or persons is obligated to provide access to any additional or follow-up information relating to this Presentation, or to correct any inaccuracies relating to this Presentation. Neither the Company nor any of the Company's affiliated entities or persons, assumes any responsibility whatsoever, for any use of this Presentation.

By reading this Presentation, you acknowledge that the information and statements that appear cannot form the basis for or be relied upon in connection with any investment activity or other activity whatsoever, and that you will be solely responsible for your own assessment of the Group.

# Production in Q2 2025

## Production update summary

- Standing biomass of 1,294 metric tonnes, up from 1,126 metric tonnes at end of Q1 2025
- Including the harvested biomass in the quarter of 387 metric tonnes LW, gross biomass growth was 695 tonnes
- 21 batches and approximately 2.07 million individuals currently in production
- All modules in the grow-out building are back in operation by end of June
- Water quality remains good and stable, both in the Hatchery & Nursery department and the Post Smolt Grow-out
- Low non-incident mortality across batches

## Proximar's biomass development

In metric tonnes, live weight

# High demand for Fuji Atlantic salmon – but currently limited supply

## “Fuji Atlantic Salmon” now available at the World Expo in Osaka

- A total of 321 tonnes HOG harvested and shipped in Q2 2025
- Average price achievement impacted by larger share of below-market size fish, impacted by limited production capacity and suboptimal growth following biofilter incidents
  - Sales price achieved for 3kg+ ~NOK 107/ kg (net to Proximar) (¥ 1528)
    - ✓ Continuing to achieve a solid price premium compared to imported salmon from Norway
  - Average sales price achieved ~NOK 70/ kg net ( ¥ 1003)
- Fuji Atlantic salmon is now served at the World Expo in Osaka
- Increased interests from other countries, including Korea, Vietnam and Philippines

Highlights / summary harvest & sales 01/04/2025 to 30/06/2025			
Volumes HOG	% Superior grade	Avg. harvest size (HOG)	Avg. achieved sales price / kg
321 tonnes	99.24%	2.30 kg	NOK ~70
