

AQUA BIO TECHNOLOGY ASA

Aqua Bio Technology ASA - CEO and CFO

30.6.2025 08:00:00 CEST | Aqua Bio Technology ASA | Additional regulated information required to be disclosed under the laws of a member state

Aqua Bio Technology ASA has appointed Kristian Flaten as Chief Executive Officer, effective from 1 August 2025.

During an interim period, Kristian will also hold the position as Chief Financial Officer.

Kristian Flaten brings over 25 years of financial and business leadership, with proven track record in management, finance, corporate governance and business development from listed growth companies and international organisations.

Kristian has a background as CFO with IDEX Biometrics ASA and Quantafuel ASA, with additional experience from BW Offshore, Eksportkreditt (Eksfin) and Handelsbanken.

Kristian holds a Master of Science from NHH (Norwegian School of Economics), with majors in Finance and Strategy.

The board of Aqua Bio Technology has previously announced that the company will enter a phase with new priorities and cost adjustments. The board will conclude on these topics during the second half of 2025.
