Første halvår 2025 oppsummert:

- God utlånsvekst
 - privatmarkedet på 4,7 %
 - bedriftsmarkedet på 6,9 %
- Press på rentenetto
 - Økt konkurranse og klare vekstambisjoner bidrar til noe press på marginene
- Godt resultat knyttet til SpareBank 1 Gruppen
- Salg av eierandeler innad i SamSpar gir gevinst på konsolidert nivå på 50 mill. kr
- Positiv effekt av overgangen til CRR3 på 2,6 prosentpoeng
 - Forventet negativ justering i 3. kvartal knyttet til heving av outputflor i allianseselskap som forholdsmessig konsolideres på ca. 0,5 prosentpoeng
- Lave tap
