The supervisory board is our highest governing body and it must ensure that the bank serves its purpose and operates in accordance with laws and regulations. A meeting is held once per year. The supervisory board has 40 members and 40 deputies. They represent customers, publicly elected officials (county council), equity capital certificate holders and employees. Of these, 12 members and 12 deputies are elected by equity capital certificate holders.

Equity capital certificate holders registered with VPS at the time of the election meeting are eligible to vote. Each equity certificate gives one vote.

Agenda:

- Information on the bank's financial statements for 2025 by CFO Geir-Egil Bolstad
- Election of members and deputies among equity capital certificate holders to the bank's supervisory board

**Equity certificate holders who wish to exercise their voting right can either participate in the meeting or submit a power of attorney. The registration and/or proxy form must be returned and received by the Bank by Tuesday 24 February 2026 at 13.00 CET.**
