First quarter 2026

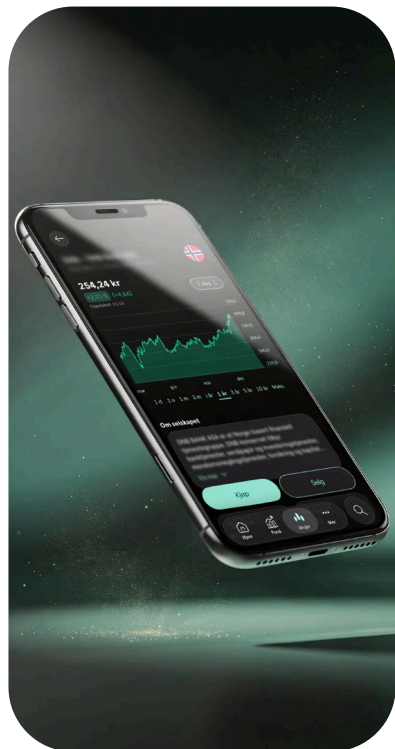

Kjerstin R. Braathen (CEO)
Rasmus T. Figenschou (CFO)

Q1

23 April 2026

Committed to delivering customer value: selected highlights

Improved process for onboarding customers under the age of 18 – full onboarding in less than 2 minutes

Spare

Launched new equity trading platform in our savings app – already accounting for 1 out of 4 trades

Launched *Solve*, 100% genAI chatbot for Sbanken, solves 76% of requests with positive customer feedback

Ranked no. 1 for customer satisfaction in the large corporates and international customers segment in Norway

Ranked no. 1 in Prospera Domestic Equity 2025 Nordics – achieving top spot in all 9 categories – also no. 1 in Sweden, Norway and Finland

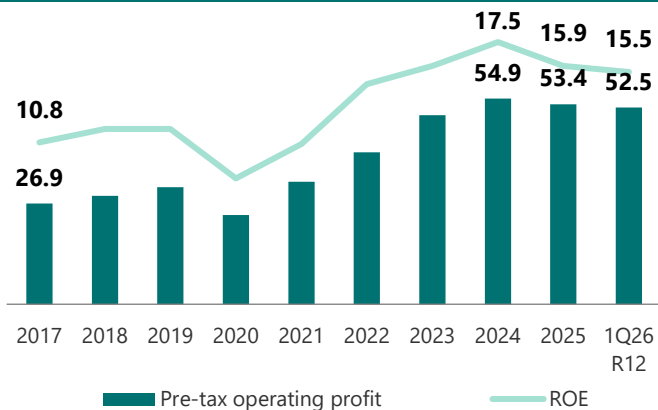

Net flow of NOK 20.4 billion in asset management in the quarter – new record quarterly and LTM

Robust first quarter result

Strong performance

NOK billion, per cent

CET1 capital ratio
Per cent
18.1

Profit for the period
NOK billion
9.9

Return on equity of 14.0 per cent in the quarter

Strong performance across customer segments and product areas.

Net interest income down 5.4 per cent from 4Q25

Profitable growth in both loans and deposits offset by narrowed spreads and fewer interest days.

Net commissions and fees up 18.0 per cent from 1Q25

Strong results across product areas, particularly in asset management with all-time high net flow of NOK 20.4 billion in the quarter.

Robust and well-diversified portfolio

99.4 per cent of portfolio in stages 1 and 2.
Impairment provisions of NOK 644 million in the quarter.

CET1 ratio 18.1 per cent – 170 bps headroom to FSA's expectation

Earnings per share of NOK 6.50 in 1Q26.

Resilient Norwegian economy

- Mainland GDP growth expected to be 1.4 per cent in 2026, with growth expectations revised slightly downwards for 2027
- Inflation expected to fall following short-term uptick – expected real wage growth likely to drive consumption and savings growth
- DNB Carnegie expects rate hikes in June and September 2026, bringing key policy rate to 4.50 per cent, followed by two cuts in 2027 (Sep. and Dec.)

1Q24 2Q24 3Q24 4Q24 1Q25 2Q25 3Q25 4Q25 1Q26

- Lending spreads
- Deposit spreads
- Combined spreads – weighted average

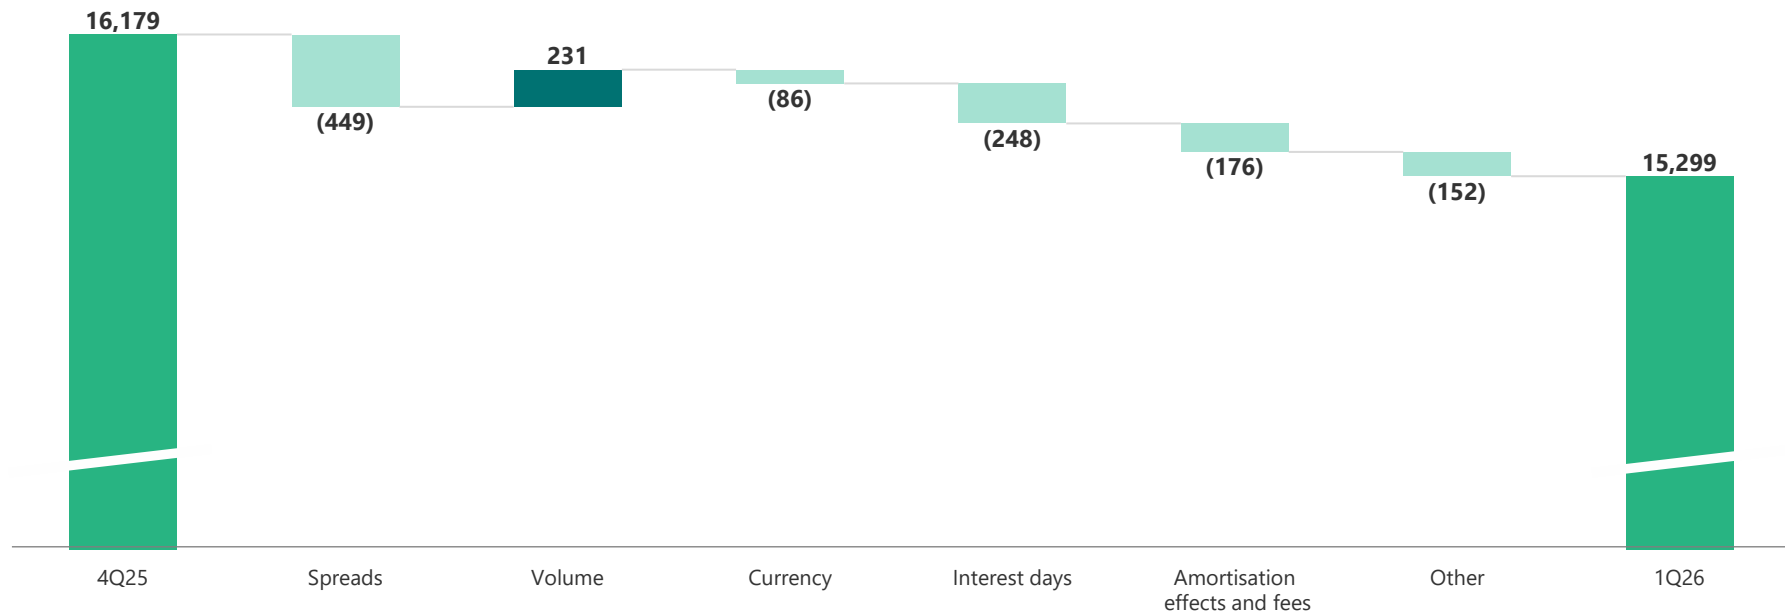

¹ Total net interest income relative to average loans and deposits in the customer segments.

² The principles relating to calculation of margins on short-term deposits were revised in 2Q24 – adjusted for this change, combined spreads were stable from 1Q24.

Net interest income driven by volume growth – offset by repricing, competition and seasonality

Net interest income

NOK million

Commissions and fees – up 18.0 per cent from corresponding quarter last year

Commissions and fees

NOK million / Change in per cent from 1Q25

+3%

Real estate broking

Strong result in a slower market.

+38%

Investment banking services

Strong income development and high activity, with execution impacted by heightened market uncertainty.

+34%

Asset management and custodial services

AUM down 1.2 per cent in 1Q26 due to negative market valuation effects. However, all-time high net flow of NOK 20.4 billion in the quarter, from both retail and institutional customers.

-12%

Guarantee commissions

Stable demand for trade finance products, offset by margin effect.

-17%

Money transfer and banking services

Mainly driven by reduced contribution from banking services.

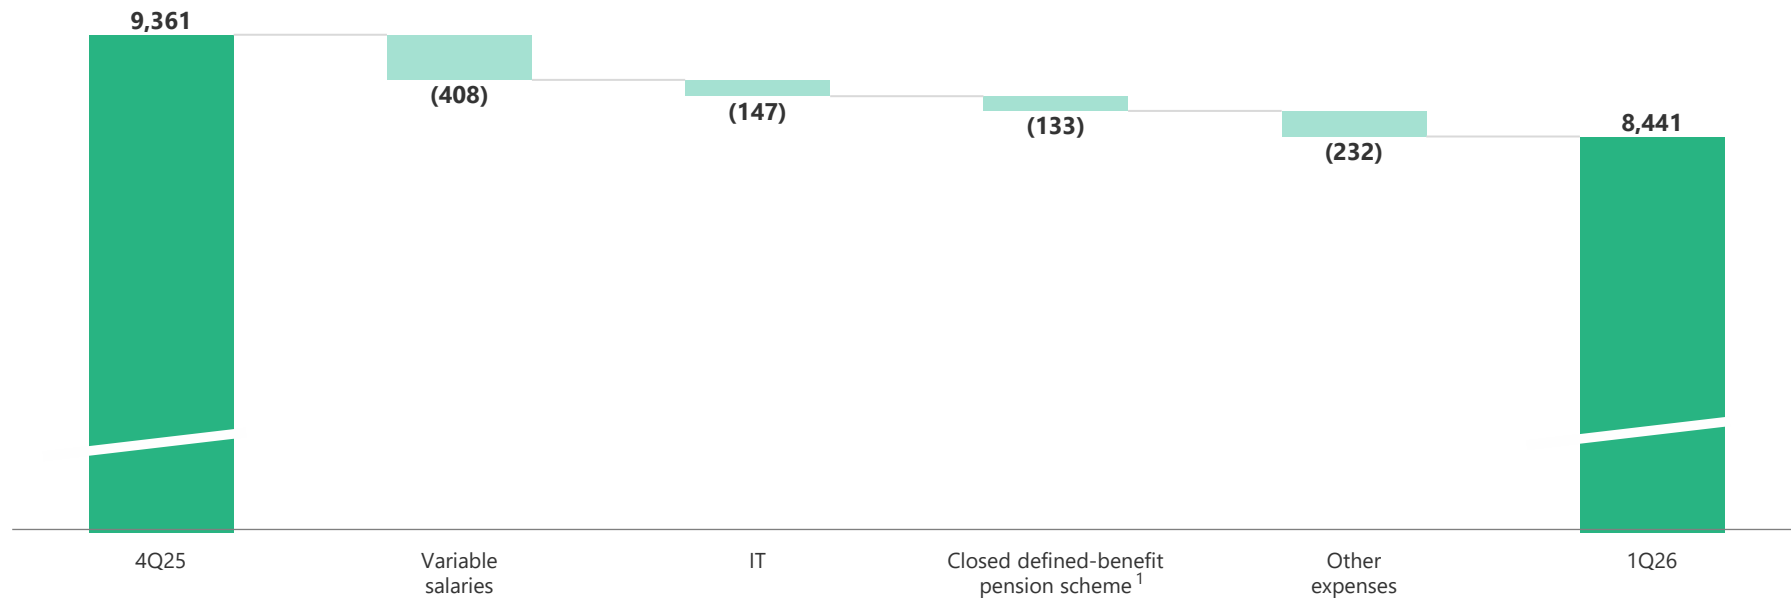

+19%

Sale of insurance products

Increased income from non-life insurance and continued positive development in defined-contribution pensions.

Operating expenses reflecting seasonal activity

Operating expenses NOK million

1 The closed defined-benefit pension scheme is partly hedged and recognised in financial instruments.

Robust and well-diversified portfolio – 99.4 per cent in stages 1 and 2

- Well-diversified portfolio across industries and geographies
- Personal customer portfolio – continued strong credit quality
- Corporate customer portfolio – increase in stage 3 impairment provisions relating to customer-specific events

Impairment of financial instruments by customer segment

DISCLAIMER

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

The statements contained in this presentation may include forward-looking statements, such as statements of future expectations. These statements are based on the management's current views and assumptions and involve both known and unknown risks and uncertainties.

Although DNB believes that the expectations implied in any such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to be correct.

Actual results, performance or events may differ materially from those set out or implied in the forward-looking statements. Important factors that may cause such a difference include, but are not limited to: (i) general economic conditions, (ii) performance of financial markets, including market volatility and liquidity, (iii) the extent of credit defaults, (iv) interest rate levels, (v) currency exchange rates, (vi) changes in the competitive climate, (vii) changes in laws and regulations, (viii) changes in the policies of central banks and/or foreign governments, or supranational entities.

DNB assumes no obligation to update any forward-looking statement.

This presentation contains alternative performance measures, or non-IFRS financial measures. Definitions and calculations are presented on ir.dnb.no.
