DISCLOSURE REGULATION

This information is required to be disclosed under Section 5-12 of the Securities Trading Act.

ABOUT THOR MEDICAL ASA

Thor Medical is an emerging supplier of alpha particle emitters produced from naturally occurring thorium, a key component of next-generation targeted cancer treatment. Its proprietary production process requires no irradiation or use of nuclear reactors, and provides a reliable, environmentally friendly and cost-efficient supply of alpha emitters to the radiopharmaceutical industry. Guided by its vision to become a world-leading enabler for targeted cancer therapies, Thor Medical is committed to improving millions of lives by fueling next-generation cancer therapies with high-purity isotopes. Thor Medical is headquartered in Oslo, Norway, and listed on the Oslo Stock Exchange under the ticker symbol TRMED. For more information, visit www.thormedical.com.
