

## **XMReality wins prestigious award at Augmented World Expo (AWE)**

**Linköping, Sweden—XMReality AB (publ) (NASDAQ First North: XMR), an international leader in AR-enabled knowledge sharing, is proud to announce that they have received the 2018 Auggie Award “Best in Show Augmented Reality” at AWE Europe held in Munich October 18 – 19 2018.**

The annual Auggie Awards have been the most recognized industry AR & VR awards in the world since 2010, showcasing the best-of-the-best in XR (AR/VR/MR). With more than 100 exhibitors of world-changing technologies, 100 speakers and thought leaders, and nearly 2,000 industry attendees at the MOC in Munich—AWE continues to be the world’s largest conference and expo dedicated to Augmented and Virtual Reality.

“We are very proud to be named as the Best in Show Augmented Reality at AWE Europe 2018. This further underlines the growing interest for our company and that our solution, XMReality Remote Guidance™, is one of the worlds most powerful AR-solutions on the market”, says Johan Castevall, CEO at XMReality.

### **About XMReality Remote Guidance™**

XMReality Remote Guidance is an AR-enabled knowledge sharing tool that lets you communicate with gestures, speech, chat, pointers with someone at a completely different place. It includes:

- A unique hands-overlay technology that lets you guide some else’s hands—as if you were there.
- A web portal to manage teams and users, and to measure usage
- Integration through client-side API’s

### **About XMReality AB**

XMReality AB (publ) develops and sells solutions that revolutionize knowledge sharing through augmented reality (AR). The company is a market leader in remote guidance, which uses AR to guide onsite staff so that they can resolve or prevent problems. XMReality’s customers are mainly global industrial companies, including Bosch Rexroth, ABB, Siemens Industrial Turbomachinery, Electrolux, and Bombardier. XMReality is headquartered in Linköping, Sweden, and is listed on Nasdaq First North (ticker: XMR).
