

## **XMReality signs contract with global packaging solution provider MULTIVAC Group**

**MULTIVAC Group, a leading provider worldwide of packaging solutions, has selected and ordered XMReality Remote Guidance™. The contract includes XMReality Remote Guidance software at a value of approximately half a million SEK and is renewed on annual basis. MULTIVAC Group plans to use Remote Guidance in their global operations and primarily in their helpdesk to support their customers.**

MULTIVAC Group has more than 80 subsidiaries located all over the world with customers in more than 140 countries. They work with integrated packaging solutions with a focus on packaging processing, portioning, labelling and marking as well as inspection and handling. XMReality Remote Guidance has successfully been tried out and implemented by several Nordic branches and will now be deployed in a total of 20 branch offices of the MULTIVAC Group.

*"We are very proud to be selected by MULTIVAC and will do our utmost to assist them with deployment to their 20 branch offices. This contract is one of many recent where we see that the technological maturity at the buyer is increasing; they have a clear perception of what they want to achieve by using XMReality Remote Guidance together with a well-structured evaluation phase. Something which sets a great foundation for successful use of Remote Guidance!"* says Jörgen Rimmelg, CEO at XMReality.

### **About XMReality Remote Guidance™**

XMReality Remote Guidance is an AR-enabled knowledge sharing tool that lets you communicate with gestures, speech, chat and pointers with someone at a completely different place. It includes:

- A unique hands-overlay technology that lets you guide someone else's hands—as if you were there.
- A web portal to manage teams and users, and to measure usage
- Integration through client-side API's (Application Programming Interfaces)

### **About XMReality**

XMReality develops and sells solutions that revolutionizes knowledge sharing through Augmented Reality (AR). The company is a market leader in Remote Guidance, which uses AR to guide onsite staff to enable quick dispositions, resolutions and/or problem prevention. The product is currently used in almost 60 countries. ABB, Nestlé, Electrolux, General Electric, AB Inbev, Sidel, Hexagon, Bühler and Minibea Intec are some of the more than 80 customers. With operations in Sweden and US, XMReality is listed on Nasdaq First North (ticker: XMR). Further information is available under [www.xmreality.com](http://www.xmreality.com)
