

XMReality is selected by French premium beverage brand MONIN

XMReality AB will supply MONIN, a French family driven business, with XMReality Remote Guidance to support their production maintenance. MONIN is a market leader within gourmet flavor solutions for the beverage industry and has six production facilities worldwide.

"This is another example of how XMReality Remote Guidance quickly is gaining traction in the food and beverage industry by creating superior value in this segment. Our solution is very well suited to support and manage satellite sites and remote operations without spending cost and time on travel. We look forward to support MONIN going forward", says Jörgen Rimmelg, CEO at XMReality.

About XMReality Remote Guidance™

XMReality Remote Guidance is an AR-enabled knowledge sharing tool that lets you communicate with gestures, speech, chat and pointers with someone at a completely different place. It includes:

- A unique hands-overlay technology that lets you guide someone else's hands—as if you were there.
- A web portal to manage teams and users, and to measure usage
- Integration through client-side API's (Application Programming Interfaces)

About XMReality

XMReality develops and sells solutions that revolutionizes knowledge sharing through Augmented Reality (AR). The company is a market leader in Remote Guidance, which uses AR to guide onsite staff to enable quick dispositions, resolutions and/or problem prevention. The product is currently used in more than 60 countries. ABB, Nestlé, Electrolux, AB Inbev, Sidel, Hexagon, Bühler and Minibea Intec are some of the more than 90 Enterprise customers. With operations in Sweden and US, XMReality is listed on Nasdaq First North (ticker: XMR). Further information is available under www.xmreality.com
