

XMReality and Zebra sign Partnership Agreement

XMReality AB and Zebra, incorporated in Illinois, US, have entered a partnership agreement to offer XMReality Remote Guidance together with Zebra wearable solutions. Zebra empowers the front line of business in several industries with data handling products and solutions such as mobile computers, barcode scanners, locating systems and services. XMReality Remote Guidance will be offered together with Zebra smart glasses to solve complex problems faster and more efficiently. The XMReality Software is also compatible with Zebra's handhelds.

The agreement as such does not guarantee any initial Order Intake or Revenues.

"We really look forward to this partnership", says Jörgen Rimmelg, CEO at XMReality, "Zebra is known as the world-wide market leader in bar code readers with global coverage and a wide range of market applications. I am convinced that XMReality Remote Guidance combined with Zebra smart glasses will be a strong and competitive offering, helping the end-customer to save both time and money, especially when hands-free mobility is desired"
