# NY FÖRSÄLJNINGSPARTNER I ASIEN

GÖTEBORG 2019-08-05

Från och med den första augusti är Dynamic Partners International Ltd Tangiamos försäljningspartner för primärt den asiatiska marknaden.

"Detta är nästa steg enligt plan för att etablera oss i Asien genom partnerskap och redan upparbetade försäljningskanaler."

Linh Thai, VD Tangiamo

***Dynamic Partners** is led by Harmen Brenninkmeijer, a gaming industry veteran with a proven track record of building and operating international gaming companies, that understands international gaming markets in both a land based and digital context, and is ideally experienced to leverage its know-how to unlock value.*

*Harmen Brenninkmeijer has a long-standing track record in regulated gaming sectors across emerging markets with a reputation for innovation, for introducing new products and adopting new technologies. Harmen has worked in over 65 countries actively supplying gaming equipment, advising and developing the gaming industry.*

*In 2017 Harmen formed the Global Chain as a vehicle to establish equity projects. Whilst working with carefully selected partners, the Global Chain has established and is introducing a number of focused offerings which include: Dynamic Partners, an Asia-based consultancy providing core services to Global Chain's equity projects and selected third parties including to various blockchain-based ventures; D-Tech, a Hong Kong based game studio building games for Asian players; Woke, an innovative blockchain based gaming project soon to be officially announced; Game Aggregation (Culpeck) and Sports Betting (Digitote)*

*Prior to Global Chain Harmen founded Gaming Incubator which sourced and took to market gaming product and platform innovations; was SVP Strategic Markets for Inspired Gaming Group (INGG) after he had previously founded Octavian Global Technologies; and had developed several land-based casinos operations around the world. Other notable achievements include the co-establishment of Avalon Casino Management which set up the Playboy Casino in Rhodes amongst others; the establishment and growth of Mikohn's gaming divisions in Europe, Africa and Japan (covering Asia); and the founding and inaugural Chairmanship of the European Gaming Organization.*
