

## Gapwaves receives a new order from European Tier 1 supplier

**Gothenburg, July 4<sup>th</sup>, 2023:** Gapwaves has received a follow-up order from the Tier 1 supplier, which Gapwaves started a collaboration with in Q1 2023. The project is a follow-up order and includes design, development and production of high-resolution radar antennas. The order value is approximately MSEK 3.7 with expected delivery in the third quarter of 2023.

Gapwave's CEO, Jonas Ehinger, comments:

“We are happy that the collaboration with this additional Tier 1 supplier is both progressing and deepening according to expectations by both parties. We are also pleased that they are satisfied with what our technology and team deliver in the project. This next step order verifies that we are on the right track with this partner and customer.”
