

Press Release  
Danderyd, Sweden, 22 April 2013

## **NOTE secures substantial new deal in the communication industry**

After an extensive screening process, NOTE has been appointed as manufacturing partner for the assembly and test of complex telecom equipment subject to very stringent quality standards. NOTE's capability to deal with this complex logistical challenge, combined with the high quality standards of its production process, fully satisfies the customer's expectations.

We currently estimate that this deal has a total value of 100 MSEK over approximately 2 years.

Production will take place at NOTE Lund with shipping scheduled to commence in the first quarter of 2014.
