About Indutrade

Indutrade is an international technology and industrial business group that today consists of more than 200 companies in some 30 countries, mainly in Europe. In a decentralised way, we aim to provide sustainable profitable growth by developing and acquiring successful companies managed by passionate entrepreneurs. Our companies develop, manufacture, and sell components, systems and services with significant technical content in selected niches. Our value-based culture, where people make the difference, has been the foundation of our success since the start in 1978. Indutrade's net sales totalled SEK 19.2 billion in 2020, and the share is listed on Nasdaq Stockholm in Sweden
