

Press Release

Indutrade acquires Stabalux – specialist in profile systems for facades

Indutrade has signed an agreement to acquire all shares in the German company Stabalux GmbH, www.stabalux.com, with annual sales of approximately EUR 3.5 million (SEK 40 million).

Stabalux is a supplier of profile systems for curtain wall facades. Their product offering includes modular systems with profiles made of steel, aluminum, timber, or bamboo. Since the establishment in 2007, Stabalux has provided the curtain wall market with systems that are simple to install, consist of few parts, and don't require any specific tools for installation. Customers include manufacturers, contractors, and glaziers involved in construction of for example shopping malls, shops, schools, office buildings, museums, and train stations. The company has 16 employees and is based in Bonn, Germany.

Stabalux complements the Indutrade-owned Swedish company Stålprofil AB, a leading supplier of secure and durable steel profile systems for public settings worldwide.

The closing takes place today and Stabalux will be included in Indutrade's Business Area Fluids & Mechanical Solutions. The acquisition is Indutrade's third in 2022 and is expected to have a marginally positive impact on Indutrade's earnings per share.

Stockholm, 1 April 2022

About Indutrade

Indutrade is an international technology and industrial business group that today consists of more than 200 companies in some 30 countries, mainly in Europe. In a decentralised way, we aim to provide sustainable profitable growth by developing and acquiring successful companies managed by passionate entrepreneurs. Our companies develop, manufacture, and sell components, systems and services with significant technical content in selected niches. Our value-based culture, where people make the difference, has been the foundation of our success since the start in 1978. Indutrade's net sales totalled SEK 21.7 billion in 2021, and the share is listed on Nasdaq Stockholm in Sweden.
