

Press Release

Indutrade issues two bond loans of in total SEK 1,000 million

Indutrade AB (publ) has issued two senior unsecured bonds of in total SEK 1,000 million with a tenor of 5 years, respectively.

The bond loans amounted to in total SEK 1,000 million, with the first bond loan of SEK 800 million carrying a floating rate and the second bond loan of SEK 200 million carrying a fixed rate. The bond loans were issued at a margin of 1.90% against three months STIBOR and the interpolated mid-swap rate, respectively. The transaction generated strong investor demand.

The proceeds from the bond issues will be used for refinancing of existing loans and for general corporate purposes, including acquisitions. Indutrade will apply for the new bonds to be listed on Nasdaq Stockholm's Corporate Bond List.

Handelsbanken and Nordea acted as financial advisors in connection with the new bond issue.

About Indutrade

Indutrade is an international technology and industrial business group that today consists of approximately 200 companies in some 30 countries, mainly in Europe. In a decentralised way, we aim to provide sustainable profitable growth by developing and acquiring successful companies managed by passionate entrepreneurs. Our companies develop, manufacture, and sell components, systems and services with significant technical content in selected niches. Our value-based culture, where people make the difference, has been the foundation of our success since the start in 1978. Indutrade's net sales totalled SEK 27 billion in 2022, and the share is listed on Nasdaq Stockholm in Sweden
