Notice to U.S. Holders

U.S. Holders (as defined below) are advised that the shares in BANO (the "Shares") are not listed on a U.S. securities exchange and that the Company is not subject to the periodic reporting requirements of the U.S. Securities Exchange Act of 1934, as amended (the "U.S. Exchange Act"), and is not required to, and does not, file any reports with the U.S. Securities and Exchange Commission (the "SEC") thereunder.

The Offer is made to holders of Shares resident in the United States ("U.S. Holders") on the same terms and conditions as those made to all other holders of Shares of the Company to whom an offer is made. Any information documents, including the Offer Document, will be disseminated to U.S. Holders on a basis comparable to the method that such documents are provided to the Company's other shareholders to whom an offer is made. The Offer is made by the Offeror and no one else.

The Offer is made to U.S. Holders pursuant to Section 14(e) and Regulation 14E under the U.S. Exchange Act as a "Tier II" tender offer, and otherwise in accordance with the requirements of Norwegian law. Accordingly, the Offer is subject to disclosure and other procedural requirements, including with respect to the offer timetable, settlement procedures and timing of payments, that are different from those that would be applicable under U.S. domestic tender offer procedures and law.

Pursuant to an exemption from Rule 14e-5 under the U.S. Exchange Act, the Offeror and its affiliates or brokers (acting as agents for the Offeror or its affiliates, as applicable) may from time to time, and other than pursuant to the Offer, directly or indirectly, purchase or arrange to purchase, Shares or any securities that are convertible into, exchangeable for or exercisable for such Shares outside the United States during the period in which the Offer remains open for acceptance, so long as those acquisitions

or arrangements comply with applicable Norwegian law and practice and the provisions of such exemption. To the extent information about such purchases or arrangements to purchase is made public in Norway, such information will be disclosed by means of an English language press release via an electronically operated information distribution system in the United States or other means reasonably calculated to inform U.S. Holders of such information. In addition, the financial advisors to the Offeror may also engage in ordinary course trading activities in securities of the Company, which may include purchases or arrangements to purchase such securities.

Neither the SEC nor any securities supervisory authority of any state or other jurisdiction in the United States has approved or disapproved the Offer or reviewed it for its fairness, nor have the contents of the Offer Document or any other documentation relating to the Offer been reviewed for accuracy, completeness or fairness by the SEC or any securities supervisory authority in the United States. Any representation to the contrary is a criminal offence in the United States.
