LIDDS in brief:

LIDDS is a Swedish drug delivery company based on the proprietary technology NanoZolid®. With NanoZolid®, LIDDS can formulate drugs for local/intratatumoral administration, with a maintained and controlled release for up to six months. LIDDS offers the NanoZolid technology to partners and has developed its own pipeline focused on oncology, where the technology enables delivery of a local and high drug dose, administered over time with very limited side effects. The company is listed on Nasdaq First North Growth market.
