

Press Release, 12 November 2025 12:07:00 CET

ProfilGruppen appoints Kerstin Konradsson as new CEO

Kerstin Konradsson will take up the position as interim CEO for ProfilGruppen AB as of Monday the 17th of November, 2025. Kerstin, who is a qualified Mining engineer from the Royal Institute of Engineering, KTH, has a long experience within the global metal industry with leading positions in companies as SSAB, Åkers and Boliden. Most recently she comes from the position as CEO of the special steel manufacturer Erasteel.

Today she is operating as board member in the mining companies LKAB and Sibelco NV, the start-up company Green 14 as well as the Royal Swedish Academy of Engineering Sciences (IVA). Previously she has operated as board member in the companies Höganäs, Alleima and DEME NV.

The current CEO, Mari Kadowaki, has resigned and will be at disposal to the company during the remaining part of her notice period.

For more information, please contact:

Bengt Stillström, Chairman of the Board
