## About Gubra

Gubra, founded in 2008 in Denmark and listed on NASDAQ Copenhagen, is a disease-agnostic techbio company specialized in peptide-based drug discovery and preclinical contract research services. Gubra's activities are focused on the early stages of drug development and are organized in three main business units – Biotech, CRO, and Ventures. The business areas create a unique entity capable of generating a steady cash flow from the CRO business while investing in high-impact biotech R&D projects with significant value inflection potential through partnerships. Gubra has around 300 employees and had revenue of DKK 2.6 billion (around \$400 million) in 2025. See [www.gubra.dk](http://www.gubra.dk) for more information.

*This information is information which Gubra is obliged to make public pursuant to the Danish Capital Markets Act. The information was submitted for publication, through the agency of the contact persons set out above, at 2026-06-30 17:15 CEST.*
