
Alelion - Booked 2023 orders to generate 180% sales growth

Redeye updates its estimates following Alelion's Q3 2022 report, where the main events were the orders from Terberg (September) and Kalmar (October) corresponding to SEK370m. With a 2023 order backlog of SEK230m and increasing order intake from key customers, we consider Alelion to be well-positioned to deliver ramping sales growth in the coming years.
