## Redeye Initiates Coverage of Dala Energi

Redeye initiates coverage of Dala Energi, a group consisting of four business segments and five associated companies, which gives Dala Energi exposure to several markets that benefit from the ongoing electrification trend – ultimately driving the demand for Dala Energi's services. Through its somewhat unique platform-like setup and strong local presence, Dala Energi can present an attractive customer offering while realizing synergies between the different companies on its platform. We think Dala Energi holds significant hidden values in its infrastructure assets and associated companies while being exposed to secular growth trends that should support earnings growth for many years.
