

## New CEO appointed for Alcadon Norway

**Alcadon Group has appointed Inge Dahl as the new CEO of its subsidiary Alcadon AS in Norway, with immediate effect. Inge Dahl is currently CEO of the Norwegian sales company Networks Centres, and is therefore very familiar with the Norwegian market and its opportunities.**

"We are delighted to confirm that Inge Dahl has accepted the assignment to lead Alcadon Norway into the future, based on his strong and senior leadership experience and excellent knowledge of the Norwegian market for products and services in digitalisation and network communications," says Fredrik Valentin, CEO of Alcadon Group.

"I am very confident about the exciting opportunities that lie ahead for us in Norway in all areas of our various businesses. We have development potential in broadband, commercial properties, structured cabling systems and, not least, the rapidly growing market for data centres," says Inge Dahl.
