About Norva24

Norva24 is the leading Northern European player in the UIM industry[1], offering UIM services such as emptying services, pressure washing and pipe services. As of 30 September 2021, the Company operated 66 branches[2] across Norway, Germany, Sweden and Denmark, with approximately 1,415 employees and approximately 860 active operating vehicles in its fleet. The history of the Group dates back to 1919 and has since evolved from its local Norwegian origin into a UIM services market leader across Norway, Germany, Sweden and Denmark. Norva24 has a history of completing acquisitions in order to enter new markets or to consolidate its local market positions, taking advantage of the highly fragmented UIM market in Europe, which is characterised by many small and local operators. The Company has completed a total of 32 acquisitions since 2015 across all four of its markets. www.norva24.com

[1] As measured by revenue

[2] The term "branch" refers to the places of business in different locations from which the Company operates.
