Newbury Pharmaceuticals brings forward interim report for third quarter 2022/2023 from July 7 to June 14

Newbury Pharmaceuticals has previously announced that the interim report for the period September 2022 – May 2023 will be published on July 7. The board has now decided to advance the report date to June 14.

The reason for this decision is that work on the report has gone faster than expected and is available for publication.
