

India's International Financial Services Centres Authority grants ZignSec Limited Use Authorization

ZignSec AB (publ) has been granted a Limited Use Authorization as a FinTech Entity by India's International Financial Services Centres Authority (IFSCA). The IFSCA is a unified authority for the development and regulation of financial products, financial services, and financial institutions in India. ZignSec is currently the only company to offer KYC services in the IFSCA's sandbox program.

Comment from Alex Noton, ZignSec CEO

"We are pleased to work together with the IFSCA to demonstrate our KYC products and services to Indian financial institutions. This is a significant milestone for ZignSec, and we are excited to leverage our expertise in digital identity verification and authentication to help these institutions move towards a more simplified and compliant e-KYC process."

ABOUT ZIGNSEC AB

ZignSec is a technology group in the fast-growing RegTech industry. The company provides a SaaS platform with digital real-time solutions for customer due diligence and ID verification with global reach. The solutions are used by companies that in turn can optimize their processes for "onboarding" both corporate customers and consumers and at the same time ensure compliance with ever-changing local and global regulatory requirements for Know Your Customer (KYC) and Anti Money Laundering (AML).
